# DUNDLOD GIRLS' SCHOOL

A Premier Girls' Boarding School

*“Soaring Towards Excellence”*

...in session 2023

## **VISION**

To provide a platform and an environment to each girl child that can encourage fearless intellectual curiosity, an uncompromising sense of fair play and empower girls to be future leaders with global perspective and Indian ethos.

## **MISSION**

To provide integrated quality education and all-round development of students in a safe, respectful and inclusive environment with excellent faculty that promises to build a foundation for life-long learning.

## **ABOUT US**

DGS is an English Medium All-Girls' Boarding School projected to be CBSE affiliated and is managed by "DUNDLOD SHIKSHAN SANSTHAN, DUNDLOD". The school shall run classes from III to VII with a proposed expansion to Senior Secondary Level. The campus is situated in a lush green, pollution free locality near the heritage city of Dundlod. It is 2 hours journey from Jaipur & 4 hours from Delhi. The nearest Airport is Jaipur International Airport.

## **PEDAGOGY**

Following the National Curriculum Framework, school emphasizes on amalgamation of competency-based education, joyful and experimental learning, integrated with art education leading to quality assessments that focus on the learner's learning outcomes. School will provide e-learning platforms and smart boards that complement effective transaction of lessons in the class. The teachers will also be upgraded continuously on the latest teaching methodology. Our aspiration is to make our education system more flexible, holistic and multi-disciplinary which will bring out unique capabilities in students as envisioned by **National Education Policy 2020**.

## **CO-CURRICULAR ACTIVITIES**

School believes that co-curricular activities are on a par with education for a student's all-round development. These activities create a fine balance between the mind and the body and at the same time develop the aesthetic sensibilities of the girls.

- **House System:** The house system provides excellent opportunities for student leadership, peer group support and also promotes team spirit. The school will be divided into different houses which will vie with one another on sports field and in other disciplines.
- **Literary and Cultural Activities:** The literary and cultural competitions will be held to bring out the various talents embedded in the students. They will be able to showcase their skills in various activities and compete with one another to improve their ability.
- **Hobby Clubs:** Various clubs will be formed and students will be allowed to choose and get associated with any of them. Being involved in these groups, students get an opportunity to develop their communication, organizational and social skills.
- **Art and Craft:** Engaging students in activities related to arts and crafts from a very young age leads to a tremendous improvement in hand-eye coordination. These activities can enhance the children's dexterity and agility.
- **Gym, Yoga and Aerobic Classes:** The girls will be provided gym, yoga and aerobic sessions under the guidance of well-trained instructors. These activities will keep them both physically and mentally strong.
- **Music and Dance:** Dance and music are a few of the oldest parts of the ancient India. Girls here in DGS will be trained with different dance forms and music both vocal and instrumental.
- **NCC and School Band:** These activities work towards the empowerment of country's youth engaging them into the constructive activities that will help the students making them confident, practical and self-sufficient.
- **Sports:** School plans to cater to a wide variety of sporting events which are integral part of school curriculum under the guidance of specialized coaches. Various sports include: Basketball, Table Tennis, Badminton, Gymnastics, Athletics, Volleyball, Football, Martial Arts, Track Events, Hockey, Swimming, Horse Riding etc.
- **Long Tours and Educational Excursions:** School plans to organize visits to various places to enrich the students and to take learning beyond the four walls of the classroom. These trips also provide an opportunity to students to evolve and be on their own which will help them make more independent.

Interaction with people outside will help improve communication skills and make them more accommodating.

- **Student Exchange Programme:** The exchange programme is a reciprocal travel program where the students get to travel locally and globally where they are hosted by a partner institution. These programs will be designed to enable student learning at a different level. But the main goal is to get them out of their comfort zone so that they not only experience enhanced learning but also personal growth.
- **Community Service:** It will provide students with the opportunity to become active members of their community and explore academic interests through a real-world lens. It has a lasting, positive impact on society at large.

## **HOSTEL**

The hostel is centrally air-conditioned and spacious. It has been designed meticulously to fulfill the challenging requirements of the children of all age groups. It includes separate dormitories for junior students and rooms for senior students with attached washrooms. Each girl child will be provided with separate bed, study table, almirah etc. Recreational rooms are available where students can relax and enjoy leisured classes.

- **Pastoral Care:** Here at DGS, we will provide a 'home away from home' where we will maintain traditional values in a family atmosphere and ensure physical and emotional welfare of each girl child. Every staff member of the school will be approachable. The hostel will be supervised by the trained matrons who will take care of every need of students and supervise their daily routine. We will also arrange periodic talks with the students for their queries and requirements. Students will also be given personal counselling.
- **Recreation Rooms:** The hostel also has well-furnished recreation rooms where students can relax, play games, watch TV, read newspapers and journals during their leisured hours.
- **Infirmary:** Here we will have our own infirmary under the charge of a qualified doctor and nurses who will be available round the clock. There will be an isolation room where any student suffering from any infectious disease will be kept to prevent spread of any infection. We will implement appropriate

policies for the medical care of students. Periodical check-ups will be conducted. At the beginning of each term every child has to undergo a routine medical examination. The school is only few kilometers away from the city hospital where any emergencies can be referred.

- **Food and Nutrition:** The mess is extremely hygienic and will serve a purely vegetarian diet to our students. We will feel proud in serving 100% organic food to our students. Vegetables, pulses and wheat are originally grown in our own farm which are free from pesticides and chemicals. We also own a dairy with over 100 cows which will allow students to get pure milk as well. Mess menu is designed in consultation with nutritionist. The student body will also be often consulted to bring about any changes in the menu. There will be well trained mess managers to watch on smooth functioning of mess.

## **SAFETY AND SECURITY**

Our school is committed to provide a safe and secure learning environment. The school will induce student and staff safety policy to ensure their minimal safety needs.

- The campus will be under 24x7 CCTV surveillance and continuous patrolling will be done by armed guards.
- The campus is surrounded by high fencing. Proper and strict security is present at the main gate and access to the girls will only be allowed through proper verification and permission of the principal, warden and parent or guardian.
- No one will be able to trespass as there will be multiple checks through the multi-tier gate system.
- Periodical regulation and monitor of safety drills will be conducted.
- Round the clock competent security, trained and experienced wardens, in-house doctors will be some of the major contributors towards safe and secure environment in campus.
- All COVID-19 SOPs/ guidelines will be followed. Procedures like thermal scanning, sanitization, checking vaccination certificate etc. will be practised at the main entrance.
- Biometric entry and exit will be mandatory for staff members.

## **FACILITIES**

Here is a glimpse of infra-amenities and other facilities of our school-

- Centralized air-conditioned classrooms and laboratories with CCTV cameras.
- Wi-fi enabled campus with 24x7 power backup.
- Use of audio-visual teaching aids like overhead projectors, mini theatre etc.

- A well-equipped MI room with trained and qualified doctor and nurses.
- Sanitary napkin disposal vending machine
- Cafeteria
- Well-furnished and hygienic mess.
- Air-conditioned buses for tours and picnics.

## **WHY DGS?**

- In a boarding school girls become effective organizers and planners which help them to grow up into a well-rounded individual. It is about teaching them to be self-initiative, good learners and to navigate various situations that may be presented to them in ways that day scholars simply don't face.
- Dundlod Girls' School is a school where the girl child will be instilled by the basic life abilities like confidence, fellowship, self-reliance, independence and compassion.
- DGS aims to offer a home-like environment to every girl child thus making her comfortable. Our caring and empathetic matrons along with other pastoral care staff take utmost care of children.
- DGS will ensure that their girl child gets the right education. To step out of the world and explore it with a wider perspective. This helps them to build a life of their own along with an established carrier for themselves.
- Students with different states meet here that helps them to learn about different cultures and traditions which inbuilt a sense of "Unity in Diversity" in them.
- The girls will be prompted that they are born with qualities that put them in the fore-front of things. They will be offered with unlimited opportunities which will help them in fulfilling all their aspirations. Here girls will be groomed to be a person of integrity and substance, of sound values, impeccable character and to be the future leaders- "**Soaring Towards Excellence**".
